

Dear Parents,

We're excited to announce that **Shamrock Montessori Toddler 2025 Summer Camp** is now enrolling! The camp runs from **June 30th to August 22nd**, 8:45 AM – 3:30 PM (after-school care is available).

Your little ones are invited to embark on an exciting journey of discovery and creativity in a program designed just for toddlers.

What Makes Our Toddler Summer Camp Special?

- **Engaging Weekly and Bi-Weekly Themes:** This year's camp offers unique themes that rotate every one to two weeks, allowing children to immerse themselves in exciting activities while keeping the experience fresh and engaging.
- **Qualified Instructors:** All of our theme-based lessons are led by our experienced and certified teachers, ensuring high-quality and age-appropriate learning.
- **Creative Showcases:** At the end of each theme, children will have the opportunity to share their creations and achievements in a special showcase—a proud moment for both parents and toddlers!

Camp Highlights

- **Cooking** – Little chefs will explore the joys of mixing, measuring, and creating simple, delicious recipes, all while building independence and practical life skills.
- **Music** – Toddlers will discover the magic of rhythms and melodies through fun, hands-on activities and guided exploration.
- **Science** – Budding scientists will engage in age-appropriate experiments that spark curiosity and wonder.
- **Art** – Tiny artists will unleash their creativity through colorful, hands-on art projects designed to inspire and delight.
- **Reading** – Our little learners will develop a love for books and storytelling, crafting their own simple creations to take home.

Special Features:

- **Showcase Events:** At the end of each theme, parents will be invited to celebrate their child's work and progress during a heartwarming showcase.

Make this summer unforgettable!

Give your child the gift of curiosity, creativity, and connection. Spaces are limited, so don't wait—register now to secure your spot for this incredible summer adventure!
